**Fire Department:** For Tahoe area business license applications only. Applications will be forwarded to the Fire Department by the Tax Collector when applicable.

**NOTE:** This application is not considered a business license/permit. A business license will be mailed to the applicant after all clearances have been completed. Once the license is received, it must be posted and exhibited in a conspicuous place on the premises where such business is transacted.

**FICTITIOUS NAME:** If you are conducting business under a fictitious name, you must obtain a Fictitious Business Name Statement from the County Recorder's Office, located at 2954 Richardson Drive, Auburn, CA 95603, (530) 886-5610.

**CHANGES:** If there is a change in ownership, mailing address, or if you are no longer in business, please notify us in writing immediately. The Placer County Tax Collector has the right to terminate a business license/permit if it is determined that a change in the business materially alters the function, operation or enterprise for which the license has been issued and additional clearance is necessary. Written notice of such termination will be served upon the license holder.

**NON-TRANSFERABLE:** Licenses are non-transferable. If the business is to be moved to a new location or there is to be new ownership, a new license must be obtained.

**EFFECTIVE DATE:** Business license will be effective the month the business starts and renewable one year from that month. License renewals should be done timely, and prior to the expiration date. Delinquent accounts are subject to penalties and/or cancellation.

A copy of the Placer County Code, Chapter 5: Businesses, Trades and Occupations, stating all rules and regulations regarding business license/permit, is available for review in the Tax Collector's Office, located at 2976 Richardson Drive, Auburn, CA. 95603. Copies are not available for distribution.
